+Report of the Public Schools+

Noblesville, Indiana, for 1889-90

The Superintendent of Noblesville Schools annually prepares a report on the status of the school corporation. In 1890, J. F. Haines reported on the only two schools in the city, First Ward and Second Ward. His report was very inciteful and provides us with some interesting facts. In a city of 4,000, 865 pupils were enrolled in school. Only 489 were promoted and 14 graduated high school. They were taught by 16 teachers whose salaries totaled \$5,675. Noblesville had high standards for graduating and all graduates were admitted to Indiana colleges without examination. The required courses included Botany, Astronomy, Psychology, Latin and Geography in addition to the more traditional-Arithmetic, English and History. The school year was 8 months long. The schools were in session 145 days beginning September 15th and ending May 8. The Commencement Exercises were held at the Opera House.

Annual Banquet
 April 27th, 2019 - 143rd year
 (See registration form)

CLASS OF 1969

BLACK & GOLDEN ANNIVERSARY

On September 7, 1965, a noteworthy group of new students—the Class of 1969—entered the hallowed halls of Noblesville High School for the first official time. Not exactly naïve, these Class of 69ers who had united at Junior High were true Noblesville kids, products of the Wards, the Hills, Conner and Our Lady of Grace. They were ready for the life forming experiences that their time at NHS would offer.

The late 1960s was a turbulent time for the Class of 1969, America and the world in general. Our daily news was a constant regurgitation of marches, protests, riots and THE WAR. Johnson was President most of our high school time. Then he wasn't, and Nixon was. THE WAR continued. The draft loomed before us. King and Kennedy were assassinated. Richard Speck, Sylvia Likens. Even in Noblesville, the Paul Goeke fire burned much of downtown. All news was not bad for the class—there was the “Summer of Love”, Hair, the NFL/AFL merger, driver's licenses and the successful Gemini/Apollo space program that would lead America to the moon and inspire the Class's Homecoming float victory in 1966.

The Class of 1969 found respite and distraction in the music of the day. Radios were tuned to WIFE. 45s and albums were spun on new stereo record players. Everyone had a favorite group or performer. Maybe it was The Beach Boys or The Supremes or The Rolling Stones. Or maybe Bob Dylan or Elvis Presley. One band pretty much universally agreed on was The Beatles. Who doesn't remember A Hard Day's Night and Help at the Diana? How about the groovy canteens with bands like the Boys Next Door, the Joys of Life and the Idle Few?

There was much to be proud of for the Class of 1969. As Sophomores, “We're Shooting For A Space Age Victory” won the Homecoming float contest. Our Senior calculus class was one of the first in Indiana. We performed Handel's Messiah with the Indianapolis Philharmonic Orchestra. Our bands and choirs received widespread recognition for their presentations. Thespian performances wowed audiences. AFS Fun Nights were always a hoot. Our school wide convocations were timely and humorous in the 1960s, but probably politically incorrect today. The '68 Seniors were awestruck by our “A Grecian Odyssey” themed prom. Carol Chapman was our Homecoming Queen and Linda Paskins was our Prom Queen.

Sports provided a few highlights too. The 5-5 (best record in years!) senior-dominated 1968 football team beat #11 Lebanon on their home field. Paul Moore and Jerry Wise had undefeated records in wrestling. The 1966 track team should have been in the State Finals. And in our Senior year in the sectional, at least we made it to Saturday.

The Class of 1969 couldn't have made it without our teachers. Our thanks go out to all of you, but especially Mr. Able, Mr. Belden, Mr. Dellinger, Mrs. Harger, Mr. Jacobi, Mrs. MacFarland, Mr. Marsh, Mr. Nevitt, Mrs. Offutt, Mr. Ressler, Mr. Roberts, Mr. Staples and Mr. Wolf. We hope we made you proud.

Thursday, June 5, 1969, was a day characterized by both cheer and melancholy. Graduation unleashed the NHS Class of 1969 on the world. Some of us went to work. Some went to college. Some went to war. Some protested the war. Some had families. Some did not. Some traveled the world. Some stayed in the Noblesville we loved. Why, some may have even gone to Woodstock. Wherever they went and whatever they experienced, the NHS Class of 1969 is reuniting the last weekend in April. Be part of this once-in-a-lifetime experience! Is anybody ready to cruise the Jim Dandy?

From the President

In reflecting on what to say to you this year, I decided to share with you an article posted on social media from one of our NHS Alumni graduates. He is allowing me to edit and share this with you.

What did you have for a life's meal?

It started with a 12 year appetizer of school in Noblesville, our hometown that

we consumed quite a bit of. All the grade schools, past and present, being a miller mite and then a miller. Our main courses were a buffet of family and friends, all creating new and precious memories. Dessert, it seems, is a reflection on the memories of the life we each lived growing up in Noblesville at our alumni reunions.

Enjoy the memories however you recall them and your lifelong Miller friends. Your Alumni Board of Directors welcomes you to the 2019 Alumni Banquet.

Special thanks to Keith King for the original article, class of 1973.
