Levinson High School in Noblesville?

From 1918-20, Noblesville High School was sometimes referred to as "Levinson High School". The person the school was honoring was native son, Salmon O. Levinson. He was a successful Chicago attorney, philanthropist, and international statesman. His parents had migrated from Prussia to Noblesville in 1857 where they raised 5 children and established a clothing store on the South side of the Square. Salmon was the eldest son, born on 12/29/1865. He graduated from Noblesville High School in 1882, undergraduate at University of Chicago and Yale University in 1888. He earned his law degree from Lake Forest College. He acquired a national reputation in corporate law. He became involved in national and international politics following WWI. He was instrumental in the attempts to have all nations sign a treaty outlawing war. He consulted with presidents, senators and ambassadors. He authored most of the Pact of Paris which was the treaty for all countries to renunciate war. 62 nations signed the treaty and Salmon was nominated for a Noble Peace Prize in 1930 for his efforts.

Salmon never forgot his hometown, frequently returning and maintaining regular contact with its affairs. In 1906,

he started an award for the highest academic male and female at NHS and NJHS. The Levinson Award was \$50 in gold. It is still awarded today (not in gold). In 1915, he and his brother donated funds to construct the Noblesville Masonic Lodge. In 1917, he donated \$10,000 (in today's dollars \$221,529) to help with the construction of the new gymnasium building for the high school on Conner Street. He also donated \$1,000 in 1927 for the construction of Forest Park Golf Course. In 1938, he donated his family's homestead on South 8th Street to the City and it was used for two different City Halls. It is part of the site of the new huge apartment complex, The Levinson. He stayed in touch with the NHS Alumni Association and was the principal speaker at the annual banquets in 1916 and 1925.

The Noblesville community wanted to recognize Salmon for his generosity. So in 1918-20, the name, "Levinson High School" started being used in many school documents including the Commencement and school programs. The official name remained "Noblesville High School" and reference to Levinson started to wane in 1923. Salmon Levinson passed on 2/2/1941.

DID YOU KNOW

That over the past 20 years, the alumni association has awarded scholarships to over 142 graduating seniors?

DID YOU KNOW

That 712 students graduated from Noblesville HS in the class of 2020, compared to 190 graduates in 1972?

WE ARE GREAT, WE ARE FUN – WE'RE THE CLASS OF 71!!

Seems like yesterday and yet it was a lifetime ago! Those carefree days of High School – some days filled with angst, some filled with smiles and laughter – wouldn't it be a walk down memory lane to go back for just a day or two of fun, friendships and no doubt foolishness!! We entered those hallowed halls in September 1967 and walked out May 1971. We had grown so those 4 years – we entered as children and left as young adults ready to take on the world. Each year brought us new experiences, opportunities, and a step up in the grade level hierarchy from baby Freshmen to sophisticated Seniors.

Our goal was to become smarter and prepare for adulthood - some of us actually paid attention and listened and made the top 10% (some of us passed with a sigh of relief and were grateful!!) We also had the opportunity to be involved in clubs and activities. There were numerous clubs to belong to – some offering experiences that might lead to careers Cadet Teachers, Candy Striper program, AFS and FFA, being on the Millstream and Shadow staff. Some teaching leadership skills - Student Council, Honor Society, Quill and Scroll, Hi-Y, Drama, Junior Classical League, Science Club, Math Club, Library-Audio Visual, FHA, Sunshine Club, Shop and Art, some just for fun and hanging out together – if that wasn't enough many of us had an after-school job!!

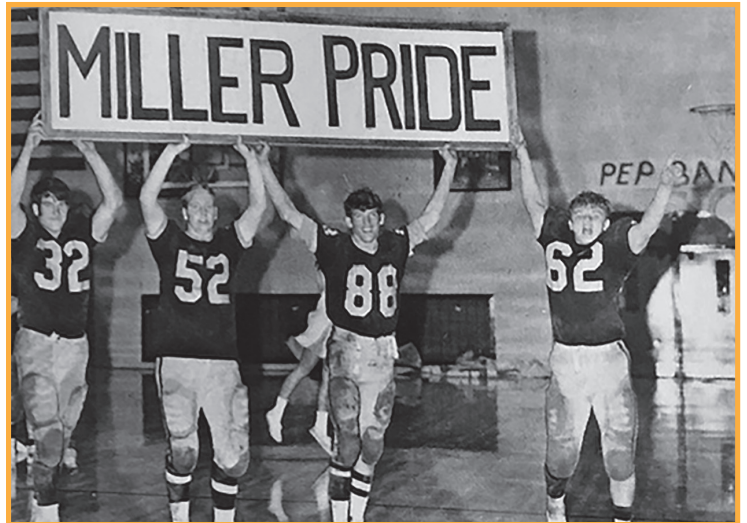

We were blessed to be able to perform with musical talent – instrumentally with the Pep Band, Stage Band, Concert Band, Symphony Band, and the Marching Millers! Complementing the Marching Millers were our lovely Majorettes and Twirlers. Vocally talented with our choirs – the Melodiers and the A Capella choir along with the Crescendos all led by Jane McFarland (who unbelievably in 2019 at the tender age of 96 was still teaching in Waco TX)

Fond HS memories seem to always bring sports to mind! The Millers were multi-talented – Track and Cross Country, Tennis, Swimming, Golf, Wrestling, Baseball, Basketball and Football. Games won and lost – conference play and sectionals – letters earned and sewn onto jackets. Sporting events cheered on by pep rallies and booster clubs with Miller spirit encouraged by our Cheerleading squads. We had added opportunities to be athletic with GAA and Intramurals.

While each sport generated enthusiasm and Miller Spirit – Football held a special spot for many of us -it was a tradition of celebration with Homecoming – building the floats, pep rallies, the parade, the game, the Homecoming Queen, the dance. As Freshmen we didn't have beginners' luck, our float didn't win and sadly carried over to the game against Elwood (we lost!) As Sophomores we came in second with "Fry em in Greece" a nod to the Crawfordsville Athenians but did not take home a game victory. Our Junior year we played the Sheridan Blackhawks, won the game, but lost the float competition. At long last our Senior year we once again played

Crawfordsville – won the game and won 1st place for our egg laying duck who proclaimed "Quack Quawfordsville" In the words of class sponsor, Mr. Dellinger "He who quacks last, quacks best" (it's OK to groan here!!)

As Seniors our Mighty Miller Football team ended the season 7-3 and one game seems to particularly stand out – it was against our nemesis, Carmel, we're behind and there's 1:40 left in the game – Butch Reel kicks a field goal, and the Millers win 19-18. Sweet! To top off this winning season, Butch along with Scott Jaimet, Rick Byram and Tom Knotts were all named as honorable mention on the All-State 1st team!! Miller Pride!!

Seniors Butch Reel, Rick Robison, Rick Byram and Tom Knotts, celebrate a Carmel victory!

So many memories – canteens, pep rallies, bookstore, Junior Booth, and proms! How can we forget building "South Seas Splendor" as Juniors? Cruising Jim Dandy – roller skating – the Drive In – the Diana – Clancy's – Mr. Ed's and Willits – Western Auto – Murphy's - the Corner Drugstore – Blue Ribbon Dairy, most of these places no longer a part of our lives, just sweet memories.

In May of 1971 we stepped off the stage in our caps and gowns and out the door to meet the challenges of the world. Some of us went to college, some straight to work, some of us married and started families, some of us waited. Most of us went off on an adventure called being an adult and becoming responsible. Now we are retired or getting ready to – we have grandchildren and maybe even great grandchildren and as Seenagers (Senior Teenagers) we are ready to have new adventures. Before we do, let's have a moment of silence for those friends and classmates who are no longer with us, a part of who we were and fondly remembered.

As we walk away from our memories listen carefully – can you hear it, one last time? We are the Millers, the mighty mighty Millers.... everywhere we go, people want to know, who we are, so we tell them! Well done, Class of 71.

From the President

Greetings to all,

Last year, the 2020 alumni banquet was cancelled due to the COVID-19 pandemic. At our January 11th meeting of the NHS board of directors, we had to make that difficult decision again, to cancel our annual banquet that would have been held in April of this year. Like last year, with the class of 1970, we also had to share this sad news with the class of 1971, as they would have been honored this year as our 50-year class. We are thinking ahead for the 2022 banquet on a more positive note, when we will honor the 50-year class, which is my class, the class of 1972. I am sure we will have discussions on how we can also give recognition to the class of 1970 and 1971 in a combined effort.

I want to take this opportunity to thank all of you who have donated in the past to our scholarship fund. Last year we were fortunate enough to award \$17,500.00 to 8 graduating seniors. The challenge we will be facing this year is to replenish our scholarship fund, since we will not be holding a banquet. We are hopeful we will be able to continue providing the same number of scholarships as we have in the past. I am confident that through our loyal supporters and your generous donations, no matter how big or small, we will still be able to accomplish our goal.

Even though we have over 2,000 members, we struggle to get younger people to join and attend our banquets. We have had this discussion since I joined the board in 1998. If you are a member and have family members who graduated from Noblesville, please encourage them to join and attend our banquets. In the past few years, the classes from the '60s have shown an increase in membership but the classes from the '70s and '80s and earlier need to really get more of their classmates involved and encourage them to join. Currently we have 300 or more attend our annual banquet, but if the younger generation does not begin to get involved, I am afraid of what may happen in future years with our attendance. For the first time since I have been on the board and dating back before that, the board increased our lifetime membership fee from \$10.00 to \$20.00. This is still a great deal for a onetime membership fee.

In closing I want to thank our awesome board. Our 15-member volunteer board works hard each year to host a fun filled banquet for all of you to be able to attend and reminisce with your NHS classmates. We honor our 50-year class and with your generosity, we raise money for scholarships for many of our deserving graduating seniors. We have 5 members with over 20 years of experience on the board and we are fortunate to have several new members that bring with them new ideas for us all to consider.

Sincerely,
Peggy Baldwin Beaver

Class Of 1965 Holds Their 55th Class Reunion

On September 19, 2020, the class of 1965 held their 55th class reunion outdoors at Forest Park, in order to practice social distancing and follow COVID-19 guidelines. Doug

Toni Dickover

Robinson, class of 1966 catered the event. Toni Voss Dickover organized the event stating there were 23 classmates in attendance and 9 guests. Tom Zinn was in town from California and Greg Fisher and Linda Moss from Florida. There were 216 in the graduating class and they have lost 54 classmates to date, 16 of those since their 50-year reunion in April of 2015. They played '60s music from CDs and had lots of time to visit and catch up. One highlight was being able to play a couple of CDs performed by classmate Donnie Box. The CDs were shared by Connie Odom, another 1965 classmate. Donnie was the most recent classmate to pass away, on August 31, 2020. Donnie was friends with Steve Wariner and Dottie West and had a small recording studio in his basement and wrote many country music songs.

CLASS OF 1949 DONATES

On behalf of the class of 1949, Carol Roudebush Swaynie, class secretary and Ivan Sherman, class president, donated the balance of their class treasury to the alumni association. Carol has held the class secretary position since graduating from NHS in 1949. There were 64 original classmates, with 14 members still living today. They take pride in believing they may be the only class who has held a class reunion every year since graduation. Except for 2020 because of the coronavirus pandemic. Several classmates over the years volunteered their homes to hold their reunions. Some of the classmates include Carolyn Johns, Bob Darrah, Bob Millikan, Dick Lawson and Ivan Sherman. Carol held their 45th reunion outdoors at her home during the day, then they all moved to the banquet room at the bowling alley for dinner and more socializing. Following are the names of the 14 remaining classmates, Pat Cramer Collins, Mary Dahlke Berg, Robert Darrah, Carolyn Fore Johns, Dick Lawson, Maizie White Glover, Barbara Oakes Mitchell, Patti Pickett Koerber, Carol Roudebush Swaynie, Ivan Sherman, Merlin Bud Statzer, Dorotheamae Thistlethwaite Walls, Martha Whitcomb Floyd and Ruth Parsons Gubochi. Thank you class of 1949 for your generous donation.

NHS Alumni Annual Banquet - CANCELLED!!!

At our January 11, 2021 Alumni Board meeting, the NHS Alumni Board had to make a very difficult decision. By unanimous vote, WE HAVE CANCELLED OUR 2021 NHS ALUMNI BANQUET, that was to be held in April of this year. We feel that your health and safety is our top priority. Since we have no way to determine what the future holds regarding the COVID-19 virus, and how long

we should be concerned about holding large groups and meetings, we felt it would be irresponsible on our part to hold an event that could put you at risk. We will miss seeing all of you and will look forward to seeing you at the 2022 alumni banquet which will be held on **April 30, 2022**. PLEASE PLAN TO ATTEND, when we will honor the class of 1972, our 50 year class.

WE STILL NEED YOUR HELP!!!

Please consider donating to our scholarship, general and newsletter fund this year even though we had to cancel our banquet. Your support is greatly appreciated.

CLASS OF '64 ~ THE CLASS THEY ALL ADORE!

On September 25th, 2020, the class of 1964 gathered for their annual Weiner Roast and Bonfire (minus the wieners and bonfire). Tony Fisher, 1964 classmate, stated it was decided by their committee, that 70 + year-old folks should no longer be walking around in the dark on uneven ground. So, for the first time they held their yearly event inside at Osprey Pointe Pavilion at Morse Beach. It was a great facility, beautiful evening, and plenty of food. Everyone brought their favorite dish and sloppy joes were provided as the main course. COVID-19 did limit attendance somewhat, 24 classmates were in attendance. The Pavilion at Morse Beach has already been reserved for their next annual gathering. Details about their next event, will be provided from the class committee in the near future.
